DETAILED ACTION

Allowable Subject Matter

1. Claims 1-14 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest, in the claimed combination, a vehicle-based unit for receiving response signals from the tire-based units and for transmitting the initiation signals to the tire-based units; and a plurality of signal masking devices coupled to the vehicle-based unit, each of the signal masking devices having an associated tire location in which a tire-based unit is located, each signal masking device being actuatable for masking the initiation signals near its associated tire location, the actuation of a masking device blocking receipt of the initiation signal by its associated tire-based unit, the vehicle-based unit controlling the signal masking devices so as to control the associated tire location from which a tire-based unit responds to the initiation signals.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
